1. This Office Action is in response to the Amendment entered on August 4, 2005 for the patent application number 09/852,776.

Examiner's Statement of Reasons for Allowance

2. Claims 1 through 15 are allowed.

The following is an examiner's statement of reasons for allowance: Hightower's "Graphical Multi-scale Web Histories: A study of PadPrints" teaches most of the claimed limitations except for *"allowing a branch of a first focus segment to be chosen for display by selecting a segment at top of said branch so that said segment becomes a new segment, wherein if said new focus segment is a descendant of said first focus segment, then, after the descendant segment become said new focus segment, continuing to display a number of segments initially visible on said display but initially located in a different position in said display, and providing an animation showing each of said segments starting in their original position and migrating to a new position"* as recited in claims 1 through 15.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
